

APRIL BUSINESS MEETING MINUTES FOR OREGON AREA AND PORTLAND ACCESS COMMITTEES

This month it was short and sweet. Barbara Lane was not available to attend the business meetings and so emailed information to Chris Cox about the previous months new and old business. Chris was the only attendant at the meeting and so very little information was shared and all topics were on hold till the May business meeting. Please see May meeting notes for complete information about what Oregon Area Access committee and the Portland Access committee are doing for fun! Yours in service, Barbara Lane
